New Forklifts For Sale From Detank UK At Detank UK, we have affordable new forklifts for sale and new excavators for sale. Available at a price that will meet the budgets of even the smallest of businesses, our entire range is available for immediate delivery from our Coventry showroom. Should you wish to find out more about Detank forklifts and excavators, either call us on 02476 403993 or 07920 077007, email us at info@detankuk.com or visit us at Unit 2, West Park, 209 Torrington Avenue, Coventry CV4 9AP. Our range of new forklifts and excavators from Detank have been specially designed to offer smaller businesses the opportunity to own new and reliable machinery rather than potentially problematic second hand options. Designed so that you only pay for what you need, the Detank range features premium build quality coupled with highly competitive vehicle prices to provide a total solution for your material handling needs! Peace of mind and affordability Providing you with both peace of mind and affordability, by choosing Detank machinery you can benefit from: A comprehensive 12 month / 1000 hour manufacturer's warranty UK based spares and servicing The ability to be purchased direct from the manufacturer Highly affordable finance

packages organised by our in-house finance division Detank UK forklifts and excavators are designed and built by one of the world's largest vehicle manufacturers - a company that is responsible for the manufacture of Jaguar and Land Rover vehicles internationally and also cars and commercial vehicles under its own marque. Using the most reliable drive trains for long life and easy servicing, the Detank range features components from internationally known suppliers including Nissan, Kawasaki, Doosan, Cummins, Perkins, Curtis and ZF. We keep stock available of all of our new forklifts and excavators and can arrange immediate delivery free of charge to your business.
